

Message from the School Principal

While the church may have started from humble beginnings, it is amazing to see how it has brought together such a large faith community over the years. On this anniversary of the church's Jubilee of 75 years, I would like to congratulate the church leadership on bringing the ministry to so many people of Orlando West and neighbouring communities and also using it to do so much good in enhancing their faith.

It is with humility that we thank the Parish leadership for keeping our spirituality healthy over 75 years. St Martin de Porres school is grateful for the support and co-operation we receive from the Parish every day. Our academic success cannot be separated from the spiritual life that we live (we receive) in this parish.

The change from a Primary school to a High school has brought its own challenges to the Parish and parishioners' activities. Despite the daily problems of having a school and the Parish activities running concurrently on the same premises, the members of St Martin de Porres Catholic Church have embraced the learners and the staff as their own. We will forever be grateful to our church. We appreciate the hard work of the Nuns, Brothers, Priests and Bishops who have educated our learners and looked after our school for a long time before it was led by the Board of Governors.

Our church is a living organism, enlivened by the presence of God's spirit. Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.

May this Jubilee of our church be a sign of its continued great work and may the Good Lord Jesus Christ bless our church for many years to come.

Congratulations on another anniversary.

Makhani Sydney (School Principal)
